**CATALOG
2025-26**

HOME GYM HG-01 (150 LBS) —

- Sturdy steel tube frame
- Various exercises can be done:
- Triceps push down
- Leg extension
- Butterfly
- Lat pull down
- Shoulder girdle
- Chest Press
- Biceps curl
- Thigh Exercises using Extra Attachments like ankle straps
- 1 Year Warranty

HOME GYM WITH BACK COVER HG-02 (150 LBS) —

- Sturdy steel tube frame with back cover
- Various exercises can be done:
- Triceps push down
- Lat pull down
- Leg extension
- Butterfly
- Shoulder girdle
- Chest Press
- Biceps curl
- Thigh Exercises using Extra Attachments like ankle straps
- 1 Year Warranty

MULTI EXERCISES HOME GYM _____ WITH BACK COVER HG-03 (150 LBS)

- Sturdy steel tube frame with back cover
- Various exercises can be done:
- Triceps push down
- Lat pull down
- Leg extension
- Butterfly
- Standing arm curl
- Standing triceps extension
- Sit-Up Bench
- Pushups
- Sand Bag
- Chest Press
- Biceps curl
- Thigh Exercises using Extra Attachments like ankle straps
- 1 Year Warranty

MULTI EXERCISES HOME GYM _____ WITH BENCH PRESS HG-04 (150 LBS)

- Sturdy steel tube frame with back cover
- Various exercises can be done:
- Triceps push down
- Lat pull down
- Leg extension
- Butterfly
- Standing arm curl
- Standing triceps extension
- Bench Press
- Chest Press
- Biceps curl
- Thigh Exercises using Extra Attachments like ankle straps
- 1 Year Warranty

DOMESTIC DUMBBELL RACK _____

- Made from heavy duty cast Iron Angles
- Can hold 10 Pairs of Dumbbells

MOTORIZED TREADMILLS

SMART RUN A8

Powerful Motor & Speed Range – Equipped with a 3 HP continuous (6 HP peak) DC motor, this treadmill supports speeds from 0.8 to 16 km/hr, ensuring smooth performance for both walking and running.

High Weight Capacity & Stability – Supports a maximum user weight of 130 kg (105 kg for running), built with a sturdy steel frame for durability and safety.

Auto Incline With Massager & Spacious Running Surface – Features 0-15% auto incline for intensified workouts and a 420 x 1230 mm (16.5" x 49.5") running area for comfortable movement. This treadmill has massager as an added feature.

Noiseless Operation – A 2.6mm multilayer running belt with steel crowned rollers reduces noise providing a smooth and joint-friendly experience.

User-Friendly Console & Features – A 5" LCD display tracks time, speed, distance, calories, pulse, and body fat, while built-in AUX support, easy installation, and super shock reduction enhance usability.

4 IN 1 MANUAL TREADMILL

You can use a manual treadmill anywhere and aren't dependent on placing the treadmill near an electrical outlet.

A non-motorized treadmill is very safe as the treadmill stops when the user stops.

The user don't have to wear a safety cord to stop the treadmill if you slip and fall as you should in case of a motorized treadmill. Maximum User Weight is 120 kgs.

Running Surface (L*B): 45.6"*13.1"

3 Level Manual Incline For Intense Workout.

Technical Feature: Time, Speed, Distance, Calorie, Pulse & Fat Measure.

Other Feature: Foldable and moveable ,Easy Installation,Self-Powered & Super Shock Reducing Function.

Treadmill Weight : 44 kgs

Available in Two Colours: Black & White

1 Year Parts Warranty
3 Years Frame Warranty
